2 Bedrooms | 1 Bathroom | 1,063 Sqft

Bright, clean, top-floor corner unit designed so there aren't any walls adjoining any other units, and the rooms are generous. A wonderful picture window accents the dining area, and the galley-style kitchen has 4 appliances; 3 are newer stainless steel. A glass slider off the living room accesses the large, covered deck with a relaxing mountain view. The combination laundry/storage room houses a white front load stacking laundry pair and provides lots of storage space. Updates on this unit include new windows, bathroom counters, sinks, mirrors, lights, appliances, flooring, and paint. This unit has 2 parking spots: 1 open, 1 covered, and a secure storage locker nearby. It's in a fantastic central location near restaurants, malls, groceries, public transit, and easy access to the channel for commuting. This is a well-maintained 55+ complex that allows one small dog or 2 cats with approval. Rentals are permitted. This unit is MOVE-IN READY, and QUICK POSSESSION is available! (id:12822)
