MLS# 10339451

\$299,900

Located in the desirable Wiltse area of Penticton, this building lot is ready to go! With an east to west exposure and STUNNING sunset views in addition to views of the City, the mountains and Okanagan Lake. This lot is fully serviced including City water, municipal sewer, power and natural gas. The seller has bought and paid for custom designed plans that they are prepared to include in the sale of this lot. Plans offered with sale include a level entry rancher with complete main level living and a walk out basement, 3 bedrooms with 2.5 bathrooms and of course a fabulous covered deck space on the upper and lower floors. Make this your next forever home! Life Stage Employment Type Average Household Income Average Number of Children
